JANBENGAYE Emeritha

To my lovely parents, firstly I greet you and I wish you the peace of God.

Therefore, dear parents I'm writing this letter in order to tell you my news and also that of my family. Now, I'm studying well, I'm studying in Senior Two (S₂). I have gotten 47% marks in the first term. In this second term, I have the purpose of getting the good marks. Now with my friend Annvaritha we study well, we help one to another.

However, at home all of us, we are so fine. I am in the family of ten children, it's difficult for us to get the food. I have the purpose of to become a good person in order to help my family. Dear parents, I continue to thank you for the support that you give me in my everyday life especially in my studies. Thank you for your kindness and mercy.

Finally, dear parents, I wish you Happy Easter. May Almighty God bless you!

Your child, JANBENGAYE Emeritha
